Minor in Women’s Studies

- **Study topics that interest you or you feel strongly about**, like relationships, double standards, women’s health care, sex, discrimination, rape, abortion, maternity, sexual orientation, etc.
- **A natural fit for majors in Psychology, Sociology, Social Work, English, History, and many other fields.**
- **Find work in Women’s Health Centers, Counseling, Rape Crisis Centers, Domestic Violence Shelters, Non-profit Organizations, Social Work, etc.**
Here are the upcoming classes you can take for credit for a Women’s Studies minor:
