

2012 Summer and Fall Registration Schedule

- We are providing you with one appointment time for both terms. This means you can register for both terms, or just register for either summer or fall with one appointment.
- You may register and/or process a change of registration (add/drop) any time during or after your scheduled begin time.
- Registration day and time are determined by your classification and the total number of hours completed. This does not include the hours you are enrolled in for Spring Semester 2012.
- All students must have a student record free of financial and administrative holds to be eligible to register.
- Some students will need advisor approval to register. Students are strongly encouraged to consult with an advisor before registering for classes.
- Please go to <http://my.yosu.edu> for instructions on registration. The Office of the Registrar is available Monday through Friday from 0800-1700 to assist you.
- Register for Fall Semester 2012 prior to **Monday, August 1, 2012** to avoid a \$75.00 Late Registration Fee.
